

VERTIGO™ - the first in
a series of profit generating
games for the all new XCD-1
environmental system.

THE XCD-1 ENVIRONMENTAL SYSTEM FEATURES:

- Full moving cabinet design.
- Size efficiency--No larger than a standard sit down video.
- State of the art color graphics.
- Unique digital audio system.
- A design incorporating straight forward electrical motors thus eliminating the need for a complex and possibly leaky hydraulic system.
- Can be plugged into any standard AC outlet.
- Supported with more games to come.
- A "DRAW APPEAL" that will enhance the earnings potential of your entire game room.
